

Dear Class A Members,

As we discussed in our Notice of Postponement, we have scheduled two workshops to present the proposal for the rehabilitation of our docks. In order to give out-of-area members the equal opportunity for participation, the workshops will be conducted in a Zoom Meeting format. You may attend either one or both. They are scheduled at:

May 21, 2022 at 11AM Pacific Time  
June 1, 2022 at 7PM Pacific Time

In addition, an in-person workshop will be held at the Bahama Village Clubhouse on 4 June, at 10AM.

The workshops are intended to educate the membership on plans to rehabilitate our docks and gain feedback on those plans prior to a vote to approve or disapprove the plans at the annual meeting on 11 June.

Before the workshops, you will receive an email with access to information concerning the plan, costs, and timing.

The workshop agenda will be:

- BVD Board Members, our volunteer project manager, and a representative of the contractor we have chosen for the work will present a description of our plans. They will present all we know about what we will get, when we'll get it, and how it will be built.
- The BVD Treasurer and President will present the plan for financing the project. They will present all we know about how we will pay for the project.
- We will then open discussion for questions, observations, concerns, and support.

The workshop is scheduled to last one hour.

Participation in the workshop is limited to our class A membership. To participate, in the Zoom workshops you must register for one (or both) of the workshops here:

May 21, 11 AM

June 1, 7 PM

<https://us02web.zoom.us/meeting/register/tZYodu6vrD4pE92u46TMw3UCBbt-NIqU98Xm>

No registration is required to participate in the in-person meeting on 4 June. Just show up at the clubhouse at 10 AM.

Anyone who would like assistance in accessing the meetings, please contact us at [bahamadocks@aol.com](mailto:bahamadocks@aol.com).

Signed,  
BVD Board of Directors.
